

- **TIMBER PRODUCT TECHNICAL EXPERTISE AND LEADERSHIP**
- **KEY INDUSTRY ADVISORY AND INFLUENCING ROLE**
- **BASED IN SUNNY BRISBANE**

The Company:

- The Engineered Wood Products Association of Australasia (EWPAAs) is a member association for manufacturers of a broad range of engineered and solid wood products located throughout Australasia, including Australia, New Zealand, Fiji, and Papua New Guinea. On behalf of our members, we coordinate a market development program which involves the following aspects: Product Certification and Testing, Standards Development, Education & Training, Research & Development, Market Maintenance, and Technical Promotion. See EWPAAs website [here](#).
- Engineered wood products are the renewable and innovative products of the future, being used in new ways in residential homes, and the construction of new multi-residential and commercial buildings.

The Role:

- If you like the idea of being part of a small dynamic team and working closely with Australasia's renewable timber product manufacturing businesses, this new role will suit you.
- The Technical Officer working with the Technical Manager, is responsible for ensuring quality outcomes with EWPAAs's certification schemes, advancing the development of engineered wood products, and improving clients' production processes.
- You will:
 - conduct certification processes and audit programs.
 - provide expert advice on the production of wood products and relevant compliance pathways.
 - to identify opportunities and shortcomings in product and application standards.
 - participate in standard setting processes and provide input into technical guidance documents.
 - manage relevant R&D projects and participate in technical forums and conferences.

What type of person are we are looking for:

- **You want to deliver outcomes by** implementing certification and audit activities, projects, and work plans on time and of high quality.
- **You are good at building partnerships by** leveraging your industry networks for technical and certification outcomes.
- **You have a stakeholder focus by** using a longer-term perspective and building relationships.
- **You work collaboratively by** looking across industries and always bringing a partnership approach.
- **You think strategically and** brings clarity to complex situations.

An attractive remuneration package will be offered to the right applicant.

Applications close by **COB Monday, 5 July 2021**.
